

DOGWOOD LEAGUE DINNERS

The last couple of weeks have seen some hotter temperatures, and we've had some cancellations as a result. Just want to remind everyone that you are welcome to eat dinner at the Eagle's Nest even though you haven't played golf. We want to encourage the Dogwood folks to maintain dinner service. And don't forget that we are receiving a contribution towards an end-of-year function for each dinner we purchase. Let's hope for a little cooler weather soon!
