

## Golf Procedures for Ladies Day

Just a note to discuss the procedure for the 9 and 18 hole ladies play on Tuesdays. On occasion the 18-hole ladies will come off hole-9 heading to 10 before the 9- hole ladies have crossed from hole-18 to hole-10. This sets-up a potential log jam. The agreed procedure is to alternate starting on hole-10 until all groups have been accommodated.

Scores for regular ladies day play should be posted as regular rounds. Only scores in major events are recorded as tournament scores. The ladies events at Lake Monticello which require a T-score posting are the President's Cup and Ladies Club Championship.

Please contact me with any questions.

Best regards,

Mark Marshall
