

Project 99

Break 100 on the golf course using Project 99 as your guide to achieving your goals. This program will teach you the key components needed to shave strokes off your score and build confidence in every part of your game.

The clinic includes Three group classes, each focused on a specific scoring skill:

- **Putting Control** **Monday August 10th**
- **Efficient Chipping** **Monday August 17th**
- **Driving Off the Tee** **Monday August 24th**

Classes are from 11:30 - 12:30

Pay 99, Break 100 every time.
